

## Table of Contents

### **PART 1 – Background Information & Species Distributions**

Waypoint by Bruce Masterman.....	12
About the book.....	14
Background.....	15
Getting started.....	20
The Surrounding Waters.....	23
Lake St. Clair & Fishes.....	25
Detroit River & Fishes.....	35
Lake Erie & Fishes.....	45
Distribution tables for Essex County Fishes.....	54
Lake St. Clair Drainage Basin.....	55
Detroit River Drainage Basin.....	58
Lake Erie Drainage Basin.....	61
Point Pelee National Park & Fishes.....	65
Pelee Island & Fishes.....	70
Fish Species at Risk.....	74
Potential Invaders.....	79
Potential Range Expansions.....	92
Websites.....	94
Numerical Guide to Citations.....	98

### **PART 2 – Fish Hatcheries, Fish Decoys & Ice Fishing**

Local Lake Whitefish Hatcheries.....	101
Contributions of Commercial Fishers.....	110
Fish Hatcheries Today.....	115
Fish Decoys.....	117
Ice Fishing.....	123
Numerical Guide to Citations.....	131

### **PART 3 – Species Identifications & Accounts**

What's in a name.....	134
Fishes Recorded in Region.....	136
External Anatomy.....	143
Identifying the Families of Fishes.....	147
Key to the Families.....	149
Is it a Bigmouth Buffalo, Quillback, Common Carp or Goldfish?.....	157
Wading Through the Species Accounts.....	161
Petromyzontidae – Lampreys (3 species).....	162

## Table of Contents

Acipenseridae – Sturgeons (1 species).....	170
Lepisosteidae – Gars (2 species).....	174
Amiidae – Bowfins (1 species).....	180
Hiodontidae – Mooneyes (1 species).....	184
Anguillidae – Freshwater Eels (1 species).....	188
Clupeidae – Herrings (2 species).....	192
Cyprinidae – Carps and Minnows (27 species).....	198
Key to the Carps and Minnows.....	201
Catostomidae – Suckers (11 species).....	266
Key to the Suckers.....	269
Ictaluridae – Catfishes (8 species).....	296
Key to the Catfishes.....	297
Esocidae – Pikes (3 species).....	318
Umbridae – Mudminnows (1 species).....	328
Osmeridae – Smelts (1 species).....	332
Salmonidae – Trouts and Salmon (2 species).....	336
Other Salmonidae.....	342
Percopsidae – Trout-perches (1 species).....	344
Gadidae – Cods (1 species).....	348
Atherinopsidae – New World Silversides (1 species).....	352
Fundulidae – Topminnows (1 species).....	356
Gasterosteidae – Sticklebacks (2 species).....	360
Cottidae – Sculpins (2 species).....	366
Moronidae – Temperate Basses (2 species).....	372
Centrarchidae – Sunfishes and Basses (11 species).....	378
Key to the Sunfishes and Basses.....	381
Percidae – Perches and Darters (14 species).....	408
Key to the Perches and Darters.....	411
Sciaenidae – Drums and Croakers (1 species).....	444
Gobiidae – Gobies (2 species).....	448
Numerical Guide to Citations.....	456
References.....	460
Photograph and illustration credits.....	470
Acknowledgements.....	475
Glossary.....	477
Index to common and scientific names.....	486
The End.....	492
